

## Set Which Icons Appear on the Taskbar's Far Right Side

You can customize the settings to show more or fewer icons on the right side of the taskbar. Here's how:

1. Open Settings (Winkey + I).
2. Click System. The list of available system settings appears.
3. Click Notifications & Actions. The settings for notifications and quick actions are shown.
4. In the Quick Actions section, click *Select Which Icons Appear on the Taskbar*. A long list of icons is shown. Each has a switch to turn it On or Off.
5. In the list of icons that appears, set the icons you want displayed to On and the icons you don't want displayed to Off. The icons that you set to On are immediately shown in the Taskbar.
6. Click the left-pointing arrow (the Back arrow) to go back. The settings for notifications and quick actions are shown.
7. Click *Turn System Icons On or Off*, in the Quick Actions section. A list of system icons is shown.
8. In the list of icons that appears, set the icons you want displayed to On and the icons you don't want displayed to Off. The icons that you set to On are shown in the Taskbar immediately.
9. Close the Settings window.
