

SHOW IMPORTANT SYSTEM ICONS (CLOCK, VOLUME, NETWORK, FOR EXAMPLE) ON THE TASKBAR'S SYSTRAY

You can easily tweak which system icons appear in the Taskbar's systray.

1. Right-click any open area on the Taskbar and then click "Taskbar Settings."
2. On the taskbar settings page, scroll down toward the bottom and click the "Turn system icons on or off" link.
3. You'll see a list of system icons. Toggle each one on or off to suit your needs. As you toggle them, the representative icons will either appear or disappear from the system tray.
